Commissioner Carolyn Simpson  
NSW Law Reform Commission  
Dear Commissioner

The Women's Electoral Lobby

The Women's Electoral Lobby (WEL) appreciates the opportunity to respond to the Law Reform Commission consultation paper on consent in relation to sexual assault offences, following our submission to the initial consultation on this matter.

Due to WEL's limited resources we have not prepared a separate response to the consultation paper but have instead liaised with the Women's Legal Centre of NSW and are pleased to endorse their response which will be submitted to you today.

kind regards

Jane Bullen  
Executive Member
