Dear Commissioners

**New South Wales Law Reform Commission Inquiry into Access to Digital Assets
upon Death or Incapacity**

I refer to the above Inquiry.

The Elder & Succession Law Committee of the Law Society of Tasmania has had an opportunity to consider the STEP Australia's preliminary submissions to the Commission dated 15 June 2018. At its August meeting it resolved to support STEP's recommendations and in particular the creation of Australian uniform model legislation in this area, for ease of consistent adoption throughout Australian states and territories.

Yours faithfully

Francesca Saturno
Deputy Executive Director
