Dear Sir/Madam

**Inquiry into Access to Digital Assets upon Death or Incapacity**

The Society's Succession Law Committee has reviewed the preliminary submission by STEP Australia (30 May 2018) to the above Inquiry, a copy of which is attached.

Accordingly, I advise the Society supports the preliminary submissions and recommendations of STEP Australia as set out in the submission. In particular, the Society supports working towards the creation of uniform model legislation in this area.

Yours sincerely

Tim Mellor  
**PRESIDENT**
